

Lifting Magnets

- Provide New Magnetech Magnets For All Applications
- Rebuilt, Reconditioned & Used Magnets of All Brands
- Repair All Brand Magnets
- Provide Engineering Services
- MagneTrac™ Asset Management
- Complete Parts Department
- Cost Savings Programs
- Operator & Maintenance Training

Motors

- All Makes & Models
 - AC Motors to 80,000HP (13.8kV)
 - DC Motors to 10,000HP (750 V)
- Complete Rewind, Reconditioning & Remanufacturing
- Scheduled Outage Services
- Motor Redesign & UL Re-rating
- 12' VPI
- Dynamic Balancing to ANSI & ISO Standards
- Dynamometer Load Testing to 13.8kV
- Complete Mechanical Repair Services

Generators

- Sale & Repair of Standby & Mobile Generators
- Diesel, Natural Gas, Propane & Gasoline
- Load Bank Testing
- Scheduled Maintenance Agreements
- Transfer Switch Installation
- Delivery & Pickup
- Cabling & Accessories

Specialty Equipment

- Class 1 Rail (UTEX) on Main Generators, Alternators & all Auxiliary Equipment
- Light Rail Traction Motors & Alternators
- Nuclear Reactor Coolant Pump Motors
- Electromagnetic Stirring Coils

Drives

- Repair, Refurbish & Overhaul:
 - Drives, Controls, Control Centers, PLCs & Relays
- Supply & Service
- Installation & Start-up
- Inspection & Testing

- Consulting & Design Services

Preventative Maintenance

- Vibration Analysis
- Oil Analysis
- Ultrasonic Examination
- Physical Inspections
- Infrared Thermal Imaging
- Laser Shaft Alignment
- Motor Circuit Testing
- Balancing & Alignment

Transformers

- Repair, Rewind & Remanufacturing
 - Oil Filled, Dry-Type Core-Form & Shell Form Transformers
- 100 KVA - 25,000 KVA (Base Rating)
- Voltage Regulator Maintenance
- Field Refurbishment
- Bushing Replacement
- Internal Inspection & Repair
- Oil Testing Services

Circuit Breakers

- Complete Low & Medium Voltage Refurbishment
- LV & MV Retrofit, Clean & Test
- High Voltage Field Service
- Breaker Parts/Components
- Trip Relay Upgrades
- Contact Resistance Testing

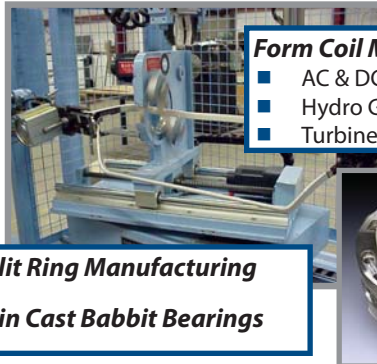

Switchgear

- Complete Upgrade & Replacement
- Low & Medium Voltage
- Substation Design & Engineering
- Engineered Turnkey Projects
- Remanufacture of all OEM Switchgears
- On-Site Custom Bus Fabrication

Cranes

- Breakdown Service
- Conversions, Upgrades & Repairs
- New Installs
- OSHA Inspections & Consulting Services
- Preventative Maintenance
- Service & Supply of Crane Systems & Components
 - 500lb Hoists to 350-ton Ladle Cranes

Form Coil Manufacturing

- AC & DC Coils to 15kV
- Hydro Generator Coils
- Turbine Generator Coils

Split Ring Manufacturing

Spin Cast Babbit Bearings

Air Compressors

- Preventative Maintenance
- Plant Air System Audits
- Anderol Specialty Lubricants
- Sales & Service for:
 - Compressors
 - Dryers
 - Aftercoolers
 - Filters
 - Separators
- Rental Units Available
